Friday: *Chicken Nuggets, Green beans, Pears, Assorted Raw Veggies, Jesus Cake, Milk*

Who Sings This Weekend?

Grades 3 & 4 will sing for Sunday's 10:15am service. Students should meet Mrs. Doell in the balcony.

Care/Share Items Needed

We are in extreme need of items to stock our care/share pantry. The third Wednesday of every month is designated to have students bring non-perishable food items and household goods. Each class has been asked to bring certain items. Please consider helping with this very worthy cause!

Chapel Offerings

Chapel offerings are collected during each Wednesday chapel service. For the month of December the chapel offering will help support the LAMP (**Lutheran Association of Missionaries and Pilots**) program, a nonprofit organization located in Edmonton, Alberta, with a U.S. office in New Haven, Michigan. The organization has been providing spiritual witness and nurture in communities in northern remote areas of Canada for over 40 years, through the ministry of pastor/pilots, and short and long-term volunteers-in-mission. LAMP presently works in 60 communities, teaching Vacation Bible School, youth and adult Bible study, and leading soccer camps in the summer months. This year over 4,000 children, youth, and adults were impacted by the ministry of LAMP staff and volunteers. Please keep this mission in your prayers as we continue to support it financially.

Our POPS Share/Care Program has been helping families not only during the Thanksgiving season but also for the Christmas season. This year the group would like to help a family in the community with its Christmas gifts. The POPS committee has a family for its Adopt-a-family program. There are two little girls in the family ages 2 and 7. The two -year-old wears size 4T and the 7 year old wears size 10/12. Mom and Dad would appreciate anything we can do for their daughters. Please bring unwrapped gifts to the school office by December 20th. Monetary donations to help purchase gift cards for gas and food would also be appreciated. Any questions, please call the school office at 715-758-8532. Thank you!

December

Sign and have your child return to the office for the monthly drawing.

Healthy Living for Students of All Ages:

Breakfast: The Key to Learning: Before you send your kids out the door and off to school there may be something they're missing, breakfast. Many researchers say that kids skip breakfast more than any other meal. But, kids who fuel up in the morning focus and concentrate better in the classroom and perform better on math, reading and standardized tests. They also have fewer behavior problems and are less likely to be tardy.
