## Winter Weather

As we begin the winter season here in Wisconsin, the weather outside drops to temperatures where children need to be properly clothed outside. Please be sure your child is wearing a coat, hat, and gloves/mittens as they leave the house. We will try to do the same as they leave school.

## Healthy Living for Students of All Ages:

**Breakfast: The Key to Learning:** Before you send your kids out the door and off to school there may be something they're missing, breakfast. Many researchers say that kids skip breakfast more than any other meal. But, kids who fuel up in the morning focus and concentrate better in the classroom and perform better on math, reading and standardized tests. They also have fewer behavior problems and are less likely to be tardy.

From the Faculty/Staff:

We wish you a Merry Christmas  
and a Happy New year
