Care/Share Items Needed

We are in extreme need of items to stock our care/share pantry. The third Wednesday of every month is designated to have students bring non-perishable food items and household goods. Each class has been asked to bring certain items. Please consider helping with this very worthy cause!

PTL Cookbooks For just \$12.00 you can make recipes submitted by our school and church families for the St. Paul Cookbook. There are plenty of copies still available. Check in the school office if you are interested.

Chapel Offerings

Chapel offerings are collected during each Wednesday chapel service. For the month of December the chapel money will help support the LAMP (**Lutheran Association of Missionaries and Pilots**) program. LAMP is a nonprofit organization located in Edmonton, Alberta, with a US office in New Haven, Michigan. The organization has been providing spiritual witness and nurture in communities in northern remote areas of Canada for over 40 years, through the ministry of pastor/pilots, and short and long-term volunteers-in-mission. LAMP presently works in 60 communities, teaching Vacation Bible School, youth and adult Bible study, and leading soccer camps in the summer months. This year over 4,000 children, youth, and adults were impacted by the ministry of LAMP staff and volunteers. Please keep this mission in your prayers as we continue to support it financially.

Our POPS Share/Care Program has been helping families not only during the Thanksgiving season but also for the Christmas season. This year they would again like to help a family in the community with their Christmas gifts. The POPS committee has a family for its Adopt-a-family program. There are two little girls in the family ages 2 and 7. The two -year-old wears size 4T and the 7 year old wears size 10/12. Mom and dad would appreciate anything we can do for their daughters. Please bring unwrapped gifts to the school office by December 20th. Monetary donations to help purchase gift cards for gas and food would also be appreciated. Any questions, please call the school office at 715-758-8532. Thank you!

Winter Weather

As we begin the winter season here in Wisconsin, the weather outside drops to temperatures where children need to be properly clothed outside. Please be sure your child is wearing a coat, hat, and gloves/mittens as they leave the house. We will try to do the same as they leave school.

Coups for Troops

We here at St. Paul Lutheran School and Church have an awesome opportunity to help U.S. military families stationed overseas through a program called Coups for Troops. This program was started by a stay-at-home mom with few financial resources who wanted to help U.S. service personnel and their families.

The Coups for Troops program facilitates the collection of manufacturer coupons to bundle and send to overseas-based military members and families. Overseas commissaries and PXs even accept expired coupons up to 6 months past their expiration date!

Please show your support for our troops by donating your manufacturer coupons or printed internet coupons today. Store and restaurant coupons are not accepted. Please make sure that the coupons, if expired, are not expired more than 3 months. This allows time for getting the coupons sorted, sent overseas, and received by the families prior to the 6 months expiration date. There is a donation box located in the school office. Coupons may also be sent to school with your children.

I plan to collect coupons through December 9th. If you have any questions or require further information, please feel free to contact me at 715-304-6523.

Together, we can make a difference in the lives of our service personnel and their families through Coups for Troops!
