RACE FOR EDUCATION

The Race for Education committee and additional volunteers have prepared the fliers they have been sent out.

Please let your sponsors know, if you wish, that if they received multiple fliers they only need to send one flier back to school with their donation. The children earned prizes for the amount of labels they brought in and not for monetary donations. All children will have the opportunity to participate in our "race for education" day regardless if they brought labels in or not. It is the race committee's intentions to try and help all the students to earn at least one prize by answering simple questions about the Race for Education event.

All 4K and preschoolers are invited to participate even if not on their scheduled day. All questions can be forwarded to Deb Guenterberg at 715-758-6807 or fast directed. Prizes will be awarded around mid October to the students. Watch next week's Friday note for the number of fliers that were actually sent out, the amount of dollars donated/stamps given and updates on donations. Also watch for our two winners that won "Olive Garden certificates" for bringing in mailing stamps these last weeks. Thank you all for your participation thus far
